Type of Project
- **Poster:** Posters are presented together in 1-hour blocks where people can walk around to view, ask questions, and have discussions.
- **Oral/Paper:** Includes projects such as research papers and presentation slides.
  Are presented in assigned classrooms and scheduled in 20-minute blocks with 15 minutes meant for the presentation and 5 minutes for Q&A.
- **Panel:** Similar to Oral/Papers, but for presenting multiple projects together. Panels are meant for group/collaborative projects or projects on a singular and interconnected topic that are directly tied to each other.
  - *Panels are 20 minutes by default. If you need more time than that, please have your faculty mentor contact us for approval.*
- **Live Performance:** Live Performances can include a number of types of work such as plays or musical performances. Are scheduled in 20-minute blocks, so please note in your registration or contact us if you need more time than that.
- **Digital Performance:** Involves showing a video in the Kendall Hall Screening Room or in Mayo Concert Hall. Are scheduled in 20-minute blocks, so please note in your registration or contact us if you need more time than that.
- **Exhibit:** Art exhibits in the AIMM building. These do not have a scheduled presentation time and can be viewed during the entire day.
- **Other:** Only select this if none of the above can apply to your project. Please provide as much information as you can on your project and how you would like to have your work presented so that we know know to best schedule you.
